

# WINNACOTT KATS JUNIOR FOOTBALL CLUB INC

## SPONSORSHIP PROSPECTUS 2013

The **Winnacott Kats Junior Football Club** has been participating in the local community since 2005.

Young in history the Club has forged itself as a well known and desired club to play for competing and winning at the highest levels since it was established.

**Sponsorship & Fundraising** are critical in meeting the shortfall between membership fees and the ongoing maintenance of facilities , club management and match day costs.

The **Winnacott Kats Junior Football Club** has 350 junior playing members, ranging from the very junior Auskick through to the highly competitive 17's.

In 2013 the Club introduces it's new Website and the centralisation of it's players, parents and members details. This new "Communication Hub" will allow the Club Executive to regularly update all with Club activities and the importance of supporting and promoting our Clubs sponsors.

Please take the time to read the packages that follow for an outright "**Take Up**" sponsorship in the Platinum, Gold, Silver or Bronze Categories or by purchasing a "**Kats Classic**" Raffle Ticket (\$100 each) for a 1 in 100 chance to win one of the 2 major co-sponsor package prizes available in the Gold and Silver Categories. With Platinum, Gold, Silver, Bronze and our "100 Club" packages available we have some great opportunities to showcase your Business in the Community.

The Club is also able to make our function areas, grounds and other facilities available to sponsors as part of the sponsorship packages whilst in our designated Football season. The facilities are great for Company Social Days, Charity Fundraisers, Sun downers, Corporate Days or Seminars.

**Please contact one of our committee members listed below with your interest.**

The **Winnacott Kats Junior Football Club** takes this opportunity to thank you in advance for your generous support in keeping the Football kids active in Sport and Community activities.
